

**AMI Meter Technician** — Dickson Electric System, Dickson, TN, is seeking a highly motivated individual for the position of AMI Meter Technician for our Automated Metering Infrastructure system. This position is responsible for maintaining the daily operation of the AMI system, managing data, and providing support for the Meter department, Engineering department and IT department. The position requires an Associates degree in Computer Science or Computer Technology or related field; two plus years computer experience using MS Office software applications; general knowledge of electric energy distribution and AMI/AMR systems. DES offers a competitive salary and benefits package together with a working environment conducive to personal and professional growth. DES is a Tennessee Drug-Free Workplace and an Equal Opportunity Employer. Qualified applicants should complete the DES application available on our website and email it along with a resume, including three references, to: [humanresources@dicksonelectric.com](mailto:humanresources@dicksonelectric.com) or mail both to: Dickson Electric System, Attn: Human Resources, P.O. Box 627, Dickson, TN 37056. Applications and resumes will be accepted until the position is filled.
