

TMEPA values your partnership and the service and support you provide to the association and our municipal utility systems. This past year was quite challenging for everyone with multiple natural disasters from tornadoes across the state to a derecho in May and of course the pandemic. Our utility systems did not waiver in their support of their communities. While we were unable to network at our conferences, each utility still needed the same support as ever from our strong network of associate members. Your participation enhances our meetings, events and programs in addition to the direct support you provide to the 60 municipal electric systems in Tennessee, 14 in Mississippi and one in North Carolina. The 2021 Associate Member program brings additional value at the same costs as 2020 with multiple program levels to give you the opportunity to participate at the level that aligns best with your company's goals and objectives. View the 2020 Associate Members on our website at tmeпа.org. We sincerely appreciate your involvement and support.

LEVELS AND BENEFITS OF MEMBERSHIP

Members are listed on our website and in our directory. Each member will have the opportunity to submit a spotlight article on their company in our Daily News Clips which is sent to all of our utilities and associate members nationwide. Also, associates may be added to the Daily News Clips distribution list upon request.

Supporter - Level 1

Support Level 1 is the entry membership level. You will pay regular system member rates for all meetings and receive a 10% discount on annual meeting and E&O bronze and silver sponsorships. Plus, you will receive 2 membership directories and be able to submit 1 Spotlight Article in the TMEPA Daily News Clips which will run for 5 days.

Patron - Level 2

In addition to the Supporter Level benefits, this level receives a 15% discount on annual meeting and E&O bronze and silver sponsorships. Plus, you will be able to submit 2 Spotlight Articles in the TMEPA Daily News Clips.

Partner - Level 3

Partner Level is the elite level of commitment and partnership with TMEPA. In addition to the other levels, this level receives a 20% discount on annual meeting and E&O bronze and silver sponsorships. Plus, you will be able to submit 4 Spotlight Articles in the TMEPA Daily News Clips. Also, your logo is in a continual loop on the TMEPA website homepage.
