The advertisement features a blue background with circular cutouts showing people in a field and a suburban neighborhood. On the right, three Zyxel devices are displayed: a tall black EX3510 gateway, a shorter black EX5510 gateway, and a white WX3310 extender. A 'WiFi 6' logo is positioned above the gateways. Text labels with yellow lines point to each device. The Zyxel logo is visible on the devices. At the bottom right, the BSE Border States logo is present with the tagline 'Supply Chain Solutions™'. The main slogan 'BROADBAND everywhere, for everyone' is centered at the bottom.

## **Broadband, Everywhere for Everyone**

Zyxel ensures strong, dependable WiFi with its extensive product portfolio, offering broadband service flexibility in solution selections to assure profitable service and lasting customer satisfaction. Service providers can take advantage of [Zyxel's Wi-Fi 6 Solutions](#) portfolio value and service through its reliable corner-to-corner whole home coverage. Zyxel's WiFi 6 gateway family (EX5510, EX3510) offers lightning-fast throughputs of up to 4x over existing Wi-Fi. Additionally, WiFi coverage can be extended throughout the subscriber's home by adding the WX3310 Dual-Band Wireless AX5400 Gigabit Extender.

## **Optimized Customer Experience**

The Zyxel WiFi 6 gateway and extender solutions are powered by MPro Mesh™ which includes a mobile app that allows subscribers to manage their home WiFi network. View all the connected devices within your Wi-Fi network, instantly add guest, enable and disable Wi-Fi access per user, and expand your network by setting up a WX3310 all from the MPro Mesh mobile app.
