

ASSOCIATION of TENNESSEE VALLEY GOVERNMENTS

ATVG's mission is to serve the mutual interests of local governments and their partners in both the public and private sectors in the seven-state Tennessee Valley region. We advance the interests of our members at the national, regional and state levels. We use our collective voice to work on a nonpartisan basis for solutions to critical issues that affect us all.

We meet quarterly at locations throughout the Tennessee Valley offering programs about common issues from PILOTS and Asian Carp to Economic Development and River Management. Our Board of Directors include local government officials from seven states.

Our meetings are open and frequently attended by local economic development representatives and TVA subject-matter experts in our programmatic areas. Each meeting begins with a "TVA Update" given by a TVA representative. Please join us at a future quarterly meeting.
