

Electric Engineer of Operations

October 15, 2021

Brownsville (Tenn.) Energy Authority, a municipal electric/water/wastewater/gas utility located in the Tennessee Valley, just 30 minutes from Jackson, Tennessee, is looking to hire an Electric Engineer of Operations to join our team.

The applicant must possess the required knowledge and skills to plan, direct, coordinate and control the construction and maintenance of the electric system distribution facilities and associated equipment.

Qualifications

- Bachelor's Degree in Electrical Engineering is desired or Bachelor's Degree in Engineering
- Two to three years' experience in power operations is desirable, but not required

Job Responsibilities

- Plan and coordinate construction and maintenance activities with line crews.
- Periodic checks on reclosers, capacitors, and other equipment as necessary.
- Make reports as necessary and maintain good written and verbal communications with management.
- Assist foremen with crews when necessary.
- Be involved in and assist with system planning.
- Keep the electric distribution system in good working order and maintain reliable, quality service for all customers.

Physical Requirements

- Unlimited exposure to outside weather and traffic.
- Heavy lifting, which may weigh in excess of 50 pounds, which may be done several times a day.
Ability to lift, carry, and use heavy tools and material
- Perform additional duties as required

Competencies

- Excellent communication and interpersonal skills
- Problem solving skills
- Organizational skills, which results in consistent, timely follow through in projects assigned
- Ability to access information and make judgment calls; must be decisive.

BEA offers an excellent benefit package including a company pension plan, insurance package for individual or family that includes medical, dental, vision and life insurance.

Qualified applicants should contact Brownsville Energy Authority (731-772-8845) to get an application for employment, full job description, and submit along with resume in person at BEA office; 25 North Lafayette Ave. Brownsville, TN 38012 to Vickie Young or email to vyoung@budutil.com.
